

Superhero Training Action Stations

Super cool hero costume

Make sure you are dressed in your superhero costume ready to be set through your paces. There are superhero cuffs to decorate and facepaint available to make sure your superhero costume is complete.

Superhero power pose

Practice your superhero power-pose and make sure it is captured on camera by our official academy photographer.

Defend the city

Use your super-hero moves to protect the city from the evil bubble villain.

Capture the bad guys

Jump high on the trampoline and punch the bad-guys. Give them all you've got!

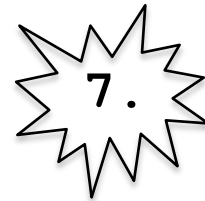

City build and destroy practice

Build a giant Lego tower and smash it down with all your strength

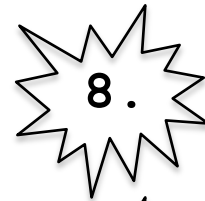

Superhero refuelling station

This is your opportunity to refuel and build up your superhero energy with some MARVEL-ous super foods.

Superhero boot-camp

Leap over Lego buildings with a single bound, dodge the silly string and make it through the gruelling obstacle challenge.

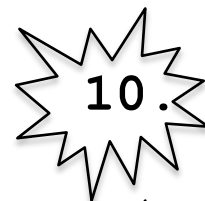

Citizen rescue simulation

Be nimble on your feet as you make your way through the laser tunnel and rescue helpless citizens from their peril.

Target practice

Ready, aim! Accuracy is paramount to superhero success. Can you hit Captain America's shield?

Super cool vehicle design

Use the LEGO pieces to build a cool superhero vehicle and watch it fly down the ramp.

Super spy vision

superhero's and villains hiding around the LEGO academy (see over page)
